Community Eligibility Provision

Update:

- In March 2015, the U.S. Department of Education revised the Community Eligibility Provision and Selected Requirements under Title I, Part A guidance.
- This guidance replaced the guidance that was published in January 2014, and provides the USED's interpretation of various statutory provisions.
- Third option under the new guidance (**Under consideration**)
 - For the 2015-16 fiscal year, we will continue to use the two options listed under Florida's State guidance that was issued by Commissioner Stewart on **March 28, 2014**.

Community Eligibility Provision in Practice

- **Combination district (Option 1)**
 - Some schools participate in CEP
 - Some schools use FRPL Applications
 - Charter schools participates in CEP
- **District-wide CEP participation (Option 2)**
 - All schools participate in CEP
